

Farrier Science Materials & Supplies List 2022-23

Tools & Supplies List

If you choose to purchase supplies before your program starts, then there is a list of suppliers located at the end of the list.

TEXTBOOKS - Available at the Olds College Bookstore

- Chris Gregory's Textbook of Farriery
- Anatomy of the Equine modules
- Small 8-½ x 11" White Board and Dry Erase Pen

SAFETY EQUIPMENT

- Welding Gloves
- CSA Approved Steel Toe Boots
- CSA Approved Safety Glasses
- CSA Approved Ear Protection: We supply disposable foam ear protection, however, you may choose to bring your own.

TRIMMING TOOLS

- 14" G.E. Hoof Nippers
- 2 Hoof Rasps (Bellota, Save Edge, Heller Red, Green or Blue Tang)
- 2 Plastic Rasp Handles
- 1 Wooden Rasp Handle
- 2 Hoof Knives - one right and one left handed (Hall, Double S, Gregory, Bloom)
- 1 - 3' Flexible Tape Measure
- 1 Wire Brush (Home Hardware, Canadian Tire)
- 1 Large Rubber Bucket (not plastic or metal)

HORSESHOEING TOOLS

- 10 or 12 oz. Driving Hammer (N.C Calvary, Flatland Forge)
- Pull offs (G.E., Mustad)
- Crease Nail pullers (G.E., Mustad)
- Clinchers (G.E. Curved Jaw Clincher)
- Nail Nippers (Knipex, G.E., Mustad)
- Clinch Gouge (Double S)
- Clinch Cutter (optional)
- Diamond Knife sharpener
- Shoeing Apron: We suggest you try on as many different styles as you can to determine best fit.

Farrier Science Materials & Supplies List 2022-23

BLACKSMITHING TOOLS

- Rounding Hammer and Clipping Hammers: Chad Lausen has agreed to provide us with our hammers and we feel that these hammers give our students the best quality for the price. Chad will be coming to the College to talk about hammers and give tips on how to choose and fit forging hammers. If you already have a hammer(s), then Chad can help you tune them up.
- 4 - Fire Tongs 1/4", 5/16", 3/8", and 1/2" (Mustad, Jim Keith, Roy Bloom)
- 2 Pairs of Steel Calipers
- 1 Anvil Devil
- 5/8" V Jaw Tongs (these can be hard to find so we may order them into the shop to be purchased at Olds College)
- 1 Butcher Block Wire Brush
- Tool Box: it can be purchased or home built. Tool Boxes can be made of Plywood, Plastic, or Aluminum and come in a variety of styles and sizes. We recommend waiting to purchase your tool box until later in the term as we will be using rubber buckets for field trips during the first term.

Total Approximate cost for Books and Supplies \$3,975.00
